Tired of High Prescription Drug Costs?

Try the ClaimLinx Prescription Savings Card

Why The Savings Card Benefits You

- Receive **discounts**. The price for 80% of the most used generic drugs is lower with the card than insurance copays of \$10 or more.
- Show ALL prescription coverages you have to the pharmacy and they will give you the **lowest price**.
- **Share it with a friend**, family or coworker. It benefits the insured, underinsured and those with high deductibles.

How To Use The Savings Card

- Visit www.Rxcut.com/ClaimLinx. Or contact customer service 24/7 at 800-808-1213.
- Compare the **new prices** with the savings card to the cost with your insurance.
- Show the **enclosed card** to the pharmacist to get the new price.

Get more cards at www.Rxcut.com/ClaimLinx or request more from help@claimlinx.com.

The card is FREE with no enrollment, activation or expiration date.
